Subject: Renewal of PI SAB Contracts

Bristow,
Per our earlier conversation - Rick/George want to renew each of the existing contracts for 1 year with no new clauses/requirements.
Rick has spoken with Risk Management and is making the business decision that we will not require insurance of the PI SAB members. George confirmed that the monetary terms remain the same for the renewal period.

These are the individuals we need to renew:

PI SAB - contracts expired 04/01/00:

- Dr. Curtis Klaassen
- Michael W. Pariza, Consulting, LLC
- William J. Waddell Inc.

New Products SAB - current contract expires 06/30/00:

- Dr. Sherwin Gardner
- Pathology Associates International (Dr. William C. Hall)
- Dr. Yoshio Harada
- Dr. Bert LaDu
- Dr. Robert A. Libby

- Dr. Joseph Borzelleca (member of both SABs; contract expires 06/30/00); contract includes Steve Taylor as a contractor

One thing that probably does need to be addressed in some of the renewal letters, however, is replacing Dick Cox's name with Rick's in regard to receipt of Company notices. (Not all of the existing contracts have this clause).

If you have questions, or need any additional information from us in order to proceed, let me know. Otherwise, please give me an estimate of when you think you will have the renewal letters ready.

Thanks for your help with this.

-Valerie (X4-3906)
